Join The ONE Village Council Now!

The ONE Village Council (OVC) is a not-for-profit community organization driven by a diverse group of community residents, just like yourself, for the purpose of ensuring that our community receives its fair share of city services. We are committed to revitalizing and instilling pride in the neighborhood and helping develop a safe and healthy environment for those who live, work, learn, and play in our "Village."

Our dedication to the enhancement of our neighborhood has produced many accomplishments for the community. OVC is breaking ground with the first Community

Policing Program in Toledo. We have also successfully targeted absentee landlords to clean up problem properties. And the list goes on. We have pledged to continue this success, and **YOU** are the one who benefits.

OVC needs your help to continue our organizing efforts. We are asking you to take an active approach to improve the quality of life in your community. We cannot continue our work without your help.

We hope you will join in contributing to the renaissance of ONE Village. Please take a moment to become a member of the ONE Village Council today.
